

Dave Tucker is a Private Investigator and a Christian. Which is not easy? However, the one thing that keeps his priorities straight is his adopted son, Mark. On his 18th Birthday Mark asks Dave to use his connections to find his birth parents. Dave's search leads him to discover that Mark has a long lost identical twin brother, named Matt Taft. The Brothers meet but their happy reunion is short lived. Matt and Mark soon find themselves framed for the murder of Matt's Boss, and hiding from an insane trigger happy geneticist named Dr. Nick Dever. Dave soon learns that he and the boys have stumbled into a major cover-up and that someone does not want Matt and Mark to find out where they really come from. Now Dave must use his detective skills as well as his faith to find out what is really going on before time runs out for the newly re-united Brothers.....
